Support two bills in the state Senate, **SB 6344 & SB 6285** which would apply existing statewide campaign contribution limits to all cities & all non-charter counties. These bills do not preclude local jurisdictions from adopting tougher (lower) contribution limits. The Federal Way City Council will be discussing this issue shortly. For more information go to: Federal Way for Clean Campaigns. Also support **Fair Elections for the Supreme Court, HB1738 & SB 5912**. Call your legislators at 1-800-562 6000. This 60 day session will end March 11. The time to call your reps is **NOW**.

**In Memoriam – Beverly Jean (Lewis) Tweddle Aug 28, 1937 – Dec 30 2009 . One of the 30<sup>th</sup> L.D.'s most loyal members. Born in Nampa, ID, Bev grew up in Spokane and moved to the Puget Sound area in the 70's. She had a long list of involvements in community service including: city clerk in Millwood, then in Milton. She was selected by Gov. Booth Gardner to serve as Special Assistant for Boards and Commissions where she served 7 years. She was a highly regarded elected commissioner for Lakehaven Utility District for 21 years where she promoted projects that would benefit all of us for years to come. Bev would come to our meetings contributing insights to problems. Many times she would have to leave our meetings early because of pain from cancer. I never heard her say an unkind word about any one. What a magnificent example for all of us. We will miss her.**

The [2010 Washington State Legislature](#) convened January 11, 2010. This session lasts just 60 days and will close March 11. The main focus will be to deal with a projected additional \$2.6 billion shortfall for the remainder of this 2 year budget cycle.

**The King County Democrats LAC agenda includes both short and long term goals**, while realizing that it will be difficult to enact new legislation in this short session under difficult budget constraints. The 2009 Legislative session raised no new revenue.

The King County Democrats support trying to bridge this new gap of an additional \$2.6 billion shortfall by **trying to raise 2/3 of it through new revenue and 1/3 by additional cuts**. This will require suspending or repealing the constraints of Initiative 960 which require a 2/3 vote of the Legislature to raise any revenue or eliminate any special interest tax exemptions.

I-960, having been in place 2 years, can now be amended or repealed by a simple majority of the Washington State Legislature. I-960 is actually in contradiction to the Washington State Constitution which says the Legislature shall act by majority vote. I-960 allows a minority of Legislators to block any revenue increase and Legislators have been reluctant to question the constitutionality of I-960. A suit by Senate Majority Leader Lisa Brown was not acted on by the State Supreme Court saying it was an internal issue for the Legislature, not the Courts, to address.

### **Below is the Adopted 2010 Legislative Action Committee Agenda**

#### **1. Revenue**

- Repeal I-960 and raise revenue to provide adequate funding for vital state services - repeal provisions requiring supermajority votes to approve tax and revenue issues, raise at least 2/3 of shortfall via new revenue and repealing tax exemptions

#### **2. Tax Reform**

- Repeal non-performing corporate tax breaks, sunset tax exemptions every 5 to 10 years
- Require Tax Expenditure Reports as part of state budget process, prioritize exemptions, require approval as part of budget process
- Implement a state income tax on high income earners over \$250,000
- Tax reduction for low income households and small businesses - Homestead Exemption or circuit breaker legislation

### **How to contact your Legislators:**

- Require lenders to use mediation, require proper maintenance of foreclosed homes, give homeowners right to rent former homes, increase state enforcement powers, extend initial timeline to respond to foreclosure to 90 days from 30 days, and give whistle-blower protections to employees at lending institutions.

- Establish a public Washington State Bank similar to North Dakota's for infrastructure

#### **7. Public Health and Safety**
