From the Chair

By David Musick

If not YOU then WHO?

Often enough we relegate our minds to thinking that other people will do the work we don't have time to do. As Americans we live extremely busy lives, having little down time between work, family and other societal obligations. Many of us want to be politically involved, well informed and working towards the common good but don't have the hours to dedicate to those ends. So what should you do when you can't find the time?

Make the time. Set aside a single hour each month to provide support and influence those around you. Call our candidates campaign and ask where you can help. If you have an hour, they have a task. Spend an hour sign waving or writing a letter to the editor explaining why you believe our candidates are "amazing". For one hour, call local Dems and ask them to join our organization (I can get you a good list!). Walk for an hour holding literature for the candidate as they door knock.

General Membership Meeting

July 5, 2017, 7:00 to 9:00 PM

Belmor Park Clubhouse
2101 S 324th St, Federal Way

(First Wednesday of each month)

"Americas Top Model" and "Kitchen Nightmares" can wait; you can stream when election season is over. Now is the time to get out with our candidates, to get the good work done. If you are a PCO, ask the campaigns for literature and spread it like wildfire on your streets. It is time to door knock folks!

For those already spending that hour or two (or 40), thank you so much for taking the lead. You rock! Volunteers drive this organization. Volunteer effort will turn this district BLUE.

District Needs

As a Legislative District Organization, we depend 100% on volunteers to get the job

done. If you have time this month, please consider stepping up to do one of the following:

Letter Writing - Are you a persuasive writer? Interested in helping us bring large donor money to our district? Whether you help us write one letter or six we would appreciate your skills to bring in financial support for our organization.

Voter Registration - We have an opportunity to get into some senior housing to help with voter registration. If you are interested in hosting one of these events, we have the materials and training to help you do it.

To volunteer or get more information, please reach out to me at chair@30thdemswa.org

The 30th District Democrats have “Arrived”!

By Jim Grayson

Around 3-4 years ago, our district met at the Federal Way SENIOR center located on the outskirts of the city. Often we had as few as 20 attendees. Under the leadership of chairperson Tim Burns, we grew our membership to the point that we were able to move our meeting to the Washington Education Association building just east of I-5. Now, thanks to the Altman family, our meetings are held at the wonderful and spacious Belmor Park location just behind the Common Mall. We now have as many as 80 attendees each month and an all-time record number of members and PCOs.

This time last year, all three of our legislative seats were held by member of the GOP (Gullible Ol People) and the 30th had been classified as “an underperforming legislative district”. Thanks to two superb campaigns headed up by Maddie Crist for Mike Pellicciotti and by Brent Williams-Ruth for Kristine Reeves we shocked

the political pundits by unseating two popular longtime residents of the area. The numbers of volunteers who helped with their expertise, dollars, and hours is too extensive to list but they were relentless, determined and VICTORIOUS.

But the story continues.

On June 11th, our congressman Adam Smith drove down from Bellevue to be the Keynote speaker for Jesse Johnson's campaign. June 11th happens to be Adam and Sarah's son Jack's birthday. Adam then drove back to Bellevue, flew to DC and testified on C-SPAN the next day. He did it because the 30th has been a strong area of support for him.

On June 20th our democratic mayor Jim Ferrell called and asked if I would do a film shoot at Town Square Park to endorse his candidacy. We met on June 22nd and the deed is done. Jim says that his door is always open and he would love to hear more from us.

On June 24th our wonderful Jeffrey Holden who chairs the endorsement committee held a sensational PCO training session for us at the Algona Pacific Library. There were so many people we needed to find up extra chairs. Even though he had to make a business trip to Yakima that night, our chair David Musick stopped and rendered invaluable assistance. One person from Puyallup said that it was the best training for democrats that he had ever attended.

June 24th, my wife Madelyn and I attended the King County Salmon Bake and boy were we proud to be from the 30th. Ron Sims, who used to be our King County Executive, said he has heard good things about the 30th. Another person said "if you folks in the 30th had not flipped those two seats we would be in deep trouble in Olympia". Somebody else commented "you are from Kristine's district and Mike won right?"

June 25th, we met our chair and fundraising chair Brenda and David Musick at the transit station to bus up to the Pride Parade. As the four of us were walking Kathy came up and started

talking to us because we were wearing our 30th T-shirts. Several people came up and wanted to meet and talk with our chair because they know about the momentum within the 30th. By the way, if you have not marched in the parade the atmosphere cannot be described. The music is blasting, the crowd is buzzing and you feel like you are making a difference.

Be proud. Be very proud. You are members of a terrific organization.
