2017 Election Cycle

The November 7 election is rapidly approaching. Ballots will be mailed in mid-October and must be returned or postmarked by November 7. Every vote will matter to our endorsed candidates if they are to succeed. The list of our endorsements can be found on our 30th LD website (www.30thdems.wa.org). We will also have a page in the Federal Way Mirror and will send a mail piece to approximately 12,000 targeted homes in the 30th LD.

Federal Way Mirror Candidate Forum

On Wednesday, October 11 the Federal Way Mirror will host its candidate forum for the November general election starting at 6pm at the Twin Lakes Country Club. Candidates endorsed by the 30th LD Democrats participating will be Mayor Jim Ferrell, Jesse Johnson (City Council position 2) and Roger Flygare (City Council position 6). Please plan to attend and support our endorsed candidates.

October Executive Board Meeting

Due to the above-mentioned candidate forum the October Executive Board meeting has been scheduled for Monday, October 9 at the Federal Way library, meeting room 2, on 1st Avenue at 7pm. All are welcome to attend.

Congressman Smith's Town Halls

I have attended 2 Of Congressman Smith's town halls (Foster High School and Newport High School) in the last month. These are informative and interesting. Congressman Smith allocates 1 hour for each town hall during which he gives updates on the events of Congress. After his opening remarks, he allows for an "open mic" session for audience participation. At Foster the town hall ran 2.5 hours and at Newport it was 1.75 hours. At both of these he addressed everyone who went to the mic. Some of his answers were not universally popular yet he believed that his constituents needed to hear the truth as he knew it. I encourage all who can to attend a town hall when possible.

General Membership Meeting

October 4, 2017, 7:00 to 9:00 PM

Belmor Park Clubhouse
2101 S 324th St, Federal Way
(First Wednesday of each month)

Congressional District 8

As you have probably heard Congressman Dave Reichert has announced that he will not seek reelection to this position. Dino Rossi, currently an appointed State Senator (5th LD) is expected to be the leading Republican candidate. Several Democrats have entered the race and others are expected to join them in the near future. We have an opportunity to turn the 8th CD blue, however it will require maximum effort as this is expected to be one of the most competitive races in the nation.

Responsibilities

**By Jon Hicks, Government Relations
Committee Chair**

Responsibilities. They can keep you up late at night and get you up early the next morning. Not a fun process, but an essential one. We have an objective and a limited amount of time to achieve it. What is that objective? Getting Democrats elected.

As John Donne wrote long ago: "No man is an island." Our candidates are no exception. When trying to figure out their chances of winning their elections, we must look to whom they gather onto their team. Without dedicated volunteers and staff, they don't stand a chance of getting elected. Without us to go out and talk with people and get our candidates' names known, without us to wave signs on the street corners and spread the word, without us to fundraise and create and attend events, they don't stand a chance.

We have the opportunity to make a positive impact and move our candidates to the table, and as someone said to me recently "if you're not at the table, you're on the menu."

Another quote I've heard recently is "conversations runs the nation." When we get out of our comfort zones and speak to people, listen to people, really engage people, we win. When we can communicate our ideas, listen to others' concerns, and get people to send in their ballots, we win.

What can you do? Come sign wave for an hour, talk to your neighbors, call up the people in your precinct, or walk the doors. Get a sign to place in your yard or sticker to put on your bumper.

When we show up, when we organize, we win. Let's go win. Let's be the team our candidates need.

Proposed changes to the 30th District Democrats' By-laws, July 19, 2017

Article VII, Section 3

Add:

No member shall hold more than one (1) Executive Board position except as presented herein. During the selection of any or all of the Executive Board positions, a member may only be elected or appointed to serve in one position. If no one is nominated and qualified to be elected or appointed for a specific Executive Board position, the election or appointment will bypass that position until all open positions have been presented to the body for selection. If, after all positions have been presented, there are unfilled Executive Board positions, the positions will be re-presented for a second round of voting or appointment whereby an Executive Board member may be selected to fill additional positions in an "Acting" capacity. All "Acting" Executive Board members will serve for a term of up to seventy (70) days upon which time a new election or appointment shall be held at the next appropriate meeting. Acting Executive Board members may continue to serve in the "Acting" capacity until such time as the position is filled for the remainder of the term. Any Executive Board position filled in an "Acting" capacity will be bypassed in the order of succession as set forth herein.

Article VIII, Section 2

Add:

In addition, the vice-chair shall act as chair in official capacity when the chair is absent. When the chair is absent, the order of succession is listed in Article VII, Section 1.

Article VIII, Section 5 and 6

Add after "presenting resolutions":
and representing endorsements

Article VIII, Section 9

It is the expectation of The 30th Legislative District Democrats when electing representatives that such representatives will, when acting in an official capacity at state and county meetings, faithfully represent and follow the official actions taken by The 30th District Democrats. A representative who is unable to represent a particular position of The 30th Legislative District Democrats in good conscience should permit an alternate or proxy who can and will do so to act in their place, provided such substitution is permitted under the rules of the body in question. A representative who is unable to allow an alternate or proxy to act in their place due to the body's rules should abstain from consideration of the matter before that body.

Article IX

Remove the last sentence of Section 2 and make it stand alone as Section 3.

Section 3 will read as:

The Executive Board may vote to remove committee chairs by majority vote.

Section 4

The Executive Board may remove a member after three unexcused absences in one calendar year.

The new Section 5 strike out the following:

~~**and must abide by the "Open Meetings Act."**~~

Section 4 becomes Section 6
