From the Chair

By Allison Taylor

As we approach our August Primary, it is important that we look back at the last few months of this election season and take a moment to give yourself credit for whatever you have done so far. If you've made phone calls, donated money, hosted an event, knocked doors or even been a candidate yourself, you have put in work to better our world.

After you take that moment, breathe in deeply (maybe a few times, actually) and develop a plan for the next 92 days. If you donated to three candidates before the primary---match those donations before the general---or better yet, donate to three other candidates that could benefit from your support. If you've door knocked your precinct, commit to door knocking two precincts nearby yours that don't have a PCO. If your candidate didn't make it through the primary in a specific race, find a candidate that you can get behind, contact their campaign and get to work.

General Membership Meeting

August 1, 2018, 7:00 to 9:00 PM

Belmor Park Clubhouse
2101 S 324th St, Federal Way
(First Wednesday of each month)

There is so much work to be done.

We are at war.

Our Democratic values are attacked every single day, at every single level.

Now is the time to put aside our differences and fight as one. We must fight to assure candidates are elected who understand that families deserve to be together, that love is love, that children shouldn't fear dying at school, that women should never have to wonder if their bodies are their own. Many of these issues are topics that history has shown favor to, yet now we find ourselves having to fight harder than ever to retain these basic civil right and liberties.

Whatever you think you can bring to the table during this time, bring a little bit more. Push yourself to go outside of your comfort zone in the 92 days between the 2018 elections and do more than you ever have in the past.

Each effort made continues to collectively strengthen our Democracy and we while we may not win every single battle, our efforts will help stay on the right side of history---and in the war, we will have victory.

The Ask

By Allison Taylor

“Every blue box is a ballot box” –Tina Podlodowski

What a wonderful truth this is. With the recent decisions, made first at the County and then at the State level, we are lucky to have the ability to stick our ballots right into our mail boxes and know that they will get counted without ever having to drive to a ballot box or find a stamp.

Today I ask you to remind 5 people a day from now until November 6th that they can mail in their ballot from home and that it is imperative that they vote.

While for some, talking about politics feels like inappropriate social behavior, voting should never be a taboo topic. You don't have to tell HOW someone to vote---just remind them that it's important to vote, period. (If you're comfortable talking about the amazing progressive candidates we have, great, but if you just want to tell them to mail it in---that's fine too!!)
